- We love when you make comments on each of your child's posts.
- We would love for these comments to:
 - Be specific eg NOT 'nice work', 'I like this', 'good one' - BUT
 - 'I love the words you have used',
 - 'your effort has made me proud',
 - 'I think you have used great colours in your art work',
 - 'your story made me smile'.
 - The specific comments inherently provide your child with a greater sense of achievement

We look forward to you contributing to your child's Seesaw Journal
